Prayer of Dedication: Immeasurably More

Glorious God,
In Christ all things are ours - and we give you back all that we are.
You are able to do immeasurably more than we ask or even imagine.

Take every gift and every burden
Every day and every hour
You are able to do immeasurably more than we ask or even imagine.

Multiply our work and our effort
Physical, mental, emotional, and spiritual
You are able to do immeasurably more than we ask or even imagine.

Support our weak bodies as we bear the cross you have for us
Each step of the way
You are able to do immeasurably more than we ask or even imagine.

Take our laughter and loss
That both may become gifts of your mercy for someone else
You are able to do immeasurably more than we ask or even imagine.

Every artifact made by our hands
Every idea conjured by our minds
We lay down at your table,
eager to see how you might multiply it for your glory.
You are able to do immeasurably more than we ask or even imagine.
