Go Forth

May God's presence comfort you
May the Son's work empower you
May the Spirit's presence encourage and propel you

May your mind be enlightened
May your hands be crafty
May your feet be steady
May your radar be sensitive to the Kingdom
May your spirit be generous

Go forth to join God's work
Go forth to plant seeds
Go forth to be good news
In the office
In the meeting rooms
In the classroom
In our words written
In our word spoken
Go forth as the aroma of God

Written for the Worship for Workers Project of Fuller Seminary by Vincent Bacote from Wheaton, Illinois
